

CALL FOR MORE VOLUNTEER TUTORS & STUDENTS

MANLY COMPUTER PALS FOR SENIORS CALLS FOR MORE VOLUNTEER TUTORS AND STUDENTS

Service

Manly Computer Pals for seniors has been serving the community for 25 years. The club provides hour long, one on one sessions, once a week. The service is ideal for those seeking assistance with their emails, Internet, photos, zoom, smartphones and laptops. The payments are minimal. By paying an annual membership of \$15 students can book a full term tuition of \$40, part time tuition of \$30 or three week tuition of \$20. Our new BriteSparx intergenerational tuition which involves year 10, 11 and 12 school student tutors assisting our seniors is becoming increasingly popular.

How you can help

If you know an older person who needs assistance with their computer and or digital skills or if you know somebody who you believe might be interested in being a tutor please pass on this information. Also consider circulating this information amongst family and friends either by word of mouth, email or social media.

Thank You

Manly Computer Pals thanks Northern Beaches Council and all its supporters for their ongoing assistance.

Rewarding

Manly Computer Pals for seniors has put out a call for more volunteer tutors and students. Like many other organisations Computer Pals has experienced a challenging two years due to Covid. As the club continues to get back to normal it has vacancies for both students and tutors. If you are aged over 55 and you need some assistance with your technology skills please contact us. If you have a good knowledge of computers and digital technology and have some spare time then consider becoming a Tutor. Helping others in this way is a rewarding experience. If you can help or if you need some assistance please phone: 9976 0930 email: manlypals@gmail.com or visit our website: manlycompals.org.au

Other Clubs

For Information about other clubs outside the Northern Beaches visit [Australian Seniors Computer Clubs Association \(ASCCA\)](http://AustralianSeniorsComputerClubsAssociation.org.au).
